DETAILED ACTION

1. This Office action is responsive to communications filed 28 February 2005.

Response to Amendment

- 2. The reply filed on 28 February 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Claim 8 appears to include material not present in the previously filed claim, specifically, the addition of a period at the end. However, the period is not underlined, and the status identifier of the claim does not indicate that the claim is currently amended. As such, it is unclear as to whether the amendment was intended to be entered. Furthermore, Claim 6 includes added material not present in the previously filed claim. Similarly, the claim appears to have been amended, however, the status identifier indicates that the claim is as originally filed. See 37 CFR 1.111.
- 3. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE** (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
